

Weekly Project Status

Anticipated Construction for the Week of Monday, March 6, 2023

The purpose for the document is to provide a brief update on the anticipated weekly activities on the construction projects occurring in the City.

WisDOT Project – Northbound Bridge on STH 32 at CTH PP (ID4085 62 71)

Contractor – Lunda Construction.

Overall Project Description – This is a Wisconsin Department of Transportation Project. Work involves bridge replacement on northbound STH 32 bridge over CTH PP.

Weekly Update:

A press release from WisDOT has been attached. Also attached is the detour for the project. A brief overview of the project is as follows:

The Northbound STH 32 bridge over CTH PP will be closed on Monday thru mid-May. The project includes the closure of Northbound STH 32 and Southbound CTH PP during construction. The detour will utilize CTH PP and Heritage Road. Information on the project can be found on the WisDOT website as follows:

<https://projects.511wi.gov/3257bridge/>

or the City website as follows:

[WisDOT State Hwy 32 Bridge Reconstruction / De Pere, Wisconsin \(deperewi.gov\)](http://deperewi.gov/WisDOT-State-Hwy-32-Bridge-Reconstruction/)

Project 22-01 – Sewer and Water Relay and Street Resurfacing

Contractor – Jossart Brothers Inc.

Overall Project Description – Project involves water main and services relay, sanitary lateral relay and storm sewer relay/construction. Additional work includes curb and gutter repair, and pulverizing/milling and resurfacing the asphaltic concrete pavement.

Weekly Update:

- East and West St Francis Road – Water main work is anticipated to start the week of March 13th depending on the amount of snow on the ground.
- Ridgeway Boulevard Water Main Relay – Winnebago Street to Webster Avenue – Work is anticipated to start at the beginning of April.

Project 22-02 – Lewis Street Reconstruction and Utility Relay

Contractor – Kruczek Construction, Inc.

Overall Project Description – Project involves sanitary sewer, storm sewer, and water main relay and street reconstruction on Lewis Street from Broadway Street to Ontario Street.

Weekly Update:

Work is anticipated to start in the next few weeks, depending on the amount of snow on the ground.
